ABOUT THIS PROGRAM....

This 12-step program, adapted with permission from A.A. World Services, Inc., to include the Savior, Jesus Christ, as our higher power. The program assists substance abusers, their families, and friends who desire a better life free of addictions.

Attending recovery meetings: In meetings, we support one another, strive to solve our common problems, and share our experiences of faith and hope in the Lord Jesus Christ.

There is no charge and no referral is needed. Missionaries preside and give a short message. A facilitator then conducts the sharing portion of the meeting. What is shared is confidential.
